Congratulations and enjoy your \$25 meal voucher at Caffé Buongiorno O'Halloran Hill

### Wine of the Month

#### **Verse 1 Semillon-Sauvignon Blanc**

This wine from Western Australia, with both varieties in equal proportions, shows a very pale greenish-straw color in the glass. Its fresh, herbal scent blends aromatic mint with a tart citric squirt of lime juice. Full and round flavors follow the nose, good clean limey fruit and a hint of earthy green olive. Lovely texture, rich and smooth, with cleansing acidity in the finish.

### **Welcome Back !!!!**

## **NEWS**

### **A CRUEL END TO AN OUTSTANDING ACHIEVMENT**

Australian coach Guus Hiddink has no doubt Italy's last-gasp penalty to end the Socceroos' World Cup dream was a mistake by the referee. The Socceroos were bundled out of the second round 1-0 by the three-time world champion in the most dramatic fashion - with the final kick of the game when substitute Francesco Totti slotted home from the penalty spot in injury-time.

Spanish referee Luis Medina Cantalejo awarded a spot-kick after Lucas Neill's challenge on Fabio Grosso in the box, with television replays casting doubt on whether the decision was correct.

Hiddink said there was no doubt in his mind the referee had got it wrong, though Italy had battled bravely throughout the final 40 minutes of the second half with 10 men after centre-back Marco Materazzi was sent off in what looked a similarly harsh decision.

### **CONGRATULATIONS AUSTRALIA**

#### **Bit Of Trivia**

Did you know that the world cup started in Uruguay in 1930 and has been played every 4 years with Italy being world champions on 3 occasions and runners up on 2. Brazil are 5 times world champions 2 times runners up
